## EXPERT WITNESS & SKIN CAMOUFLAGE EXPERIENCE

Over 15 years' experience producing medico-legal reports involving appearance-related injuries. Expertise includes scarring, burns, surgical wounds, pigmentation conditions and traumatic injury. Reports include detailed assessment, camouflage options, product longevity, availability and realistic expectations.

Private camouflage clinic established 2010 providing tailored, in-person consultations and rehabilitation-focused guidance. Extensive practical experience using medical camouflage ranges including Dermacolor, Veil, Keromask, Covermark, Dermablend, Make Up For Ever, and specialist products such as Dermaflage.

## ADDITIONAL PROFESSIONAL BACKGROUND

28-year career as a professional make-up and hair artist, including senior roles at ITV, Channel 4 News and NBC. Experience includes live broadcasting, major state events and work with public figures and The Royal Family. This background strengthens practical understanding of skin tone, texture, lighting and long-wear coverage together with an ability to work efficiently in high pressured environments.
